

CARQUEST HAWAII AUTOMOTIVE WAREHOUSE, INC.

Automotive Warehouse, Inc. have affiliated ourselves with two organizations that we feel are not only the leaders in the automotive aftermarket industry today, but also are the most concerned with the automotive repair industry and its success. They are CARQUEST and World Pac. Through both of these entities, we are able to offer you products that have coast-to-coast warranty protection, but even more important, they are manufactured by the most recognized names in the industry today. With their products designed to meet original equipment parts. We also have inventory for some original equipment parts, to make your task easier, to save you time, and increase your profitability which makes for greater customer satisfaction.

Since we are a mature company, we realized our customers and our employees are our two greatest assets and are responsible for our success.

As a family-owned company, we feel our customers are more like our partners, and we thank you for your loyalty.

We hope that you will allow our sales representatives to show you what we feel are the most innovative ideas in our business today, which are designed to enhance your business more profitably.

Please feel free to contact us directly at any time for any reason. Your concerns are our concerns and we look forward to meeting your needs in the future.
